

COMPETENCE IN INFORMATION UNIVERSITY LIBRARY (TUB HH)

*„I like your [library] most of all :-)
because of the nice atmosphere
and the view into the green park
with my water bottle on the table“*

*„The group rooms [...] are a good
place to prepare labs, practices and
class exercises, because they offer
the possibility for group commu-
nication when working. And any-
way you have a plenty of reference
works at your fingertips.“*

Students about the TUB HH

Beneath a clear view into a green scenery the TUHH University Library (TUB HH) supports Open Access to the world of scholarly information.

The library is a center of information and communication, a room for working and experience and a place for innovative learning. Here you can learn and communicate, search and use information, but also relax, dream, ...

TUHH

Technische Universität Hamburg-Harburg

COMPETENCE IN INFORMATION UNIVERSITY LIBRARY OF TUHH (TUB HH)

The Library supports research, teaching and studying at the Hamburg University of Technology (TUHH). As a library specialized in engineering TUHH Library is also open to the public of the metropolitan area of Hamburg.
