# Online Lecture on Open Access

October 24th, 2023 at 3 pm

The Hamburg University of Technology invites you to the following exciting online lecture on the topic of **Open Access**

## Open Access Models: The Search for Equitable Global Solutions: A Contribution from Annual Reviews

Dr. Richard Gallagher

President and Editor-in-Chief of Annual Reviews

### Exploring Open Access Models together:

Some of our own professors will relate their experiences on the editorial boards of renowned journals in this context, and together we can discuss the disruptor that most likely will change academic publishing forever.

We are looking forward to your participation;
